# Denominator

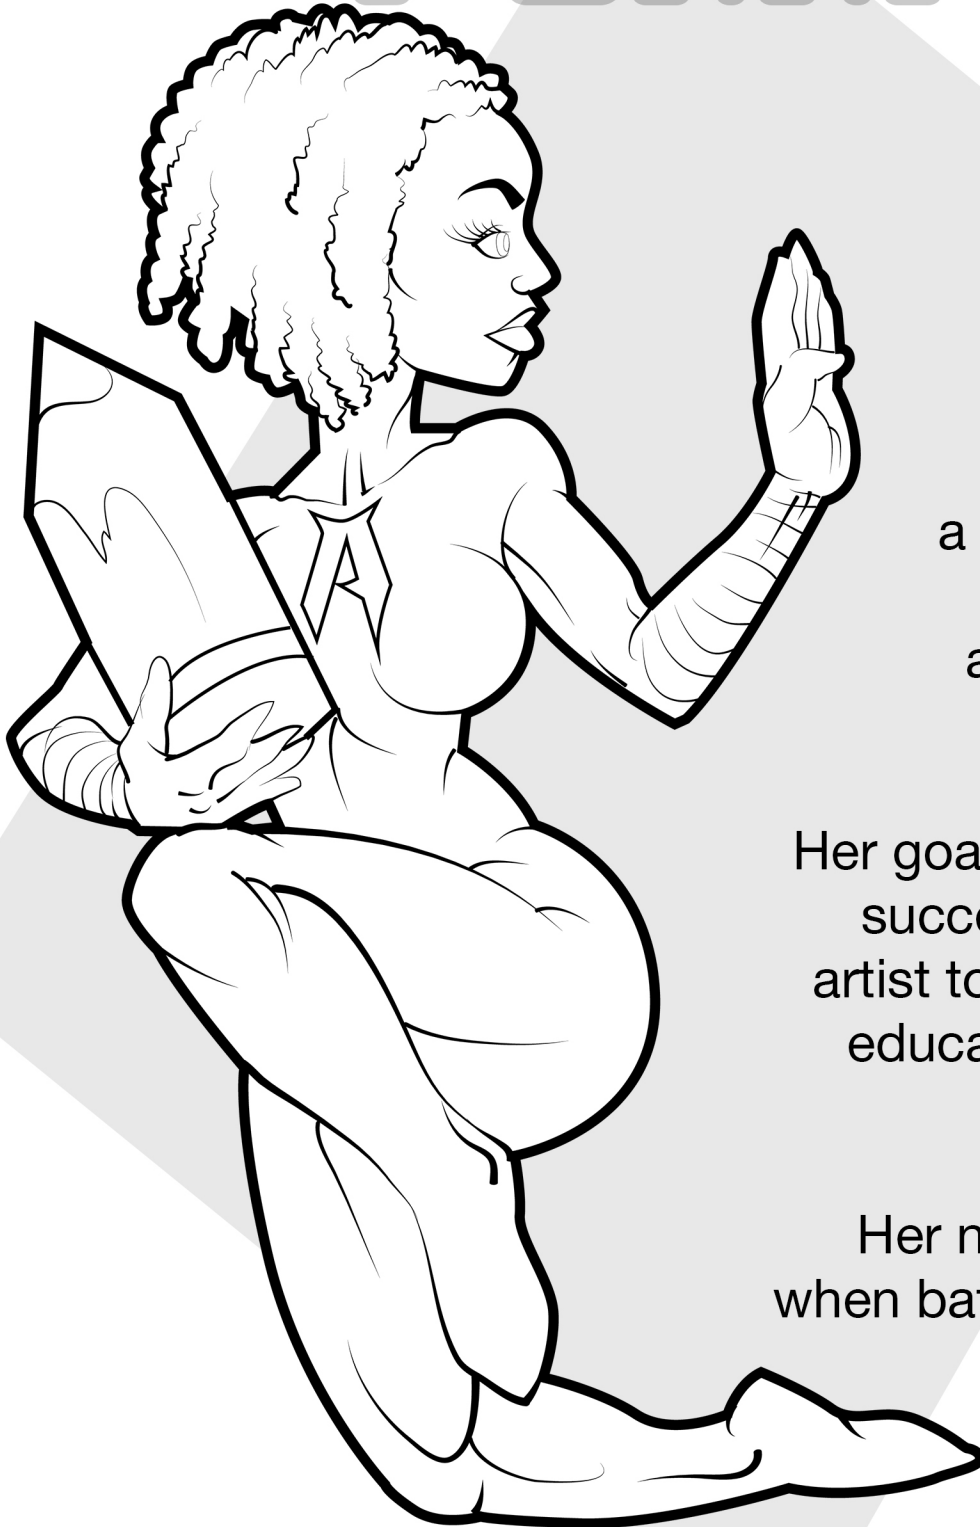

**Denominator** is a gorilla with a personality too big for a regular body to contain.

**Denominator** is focused on proving his artistic capabilities against all foes.

**Denominator** has no rivals and his only competition is himself!

# Penni

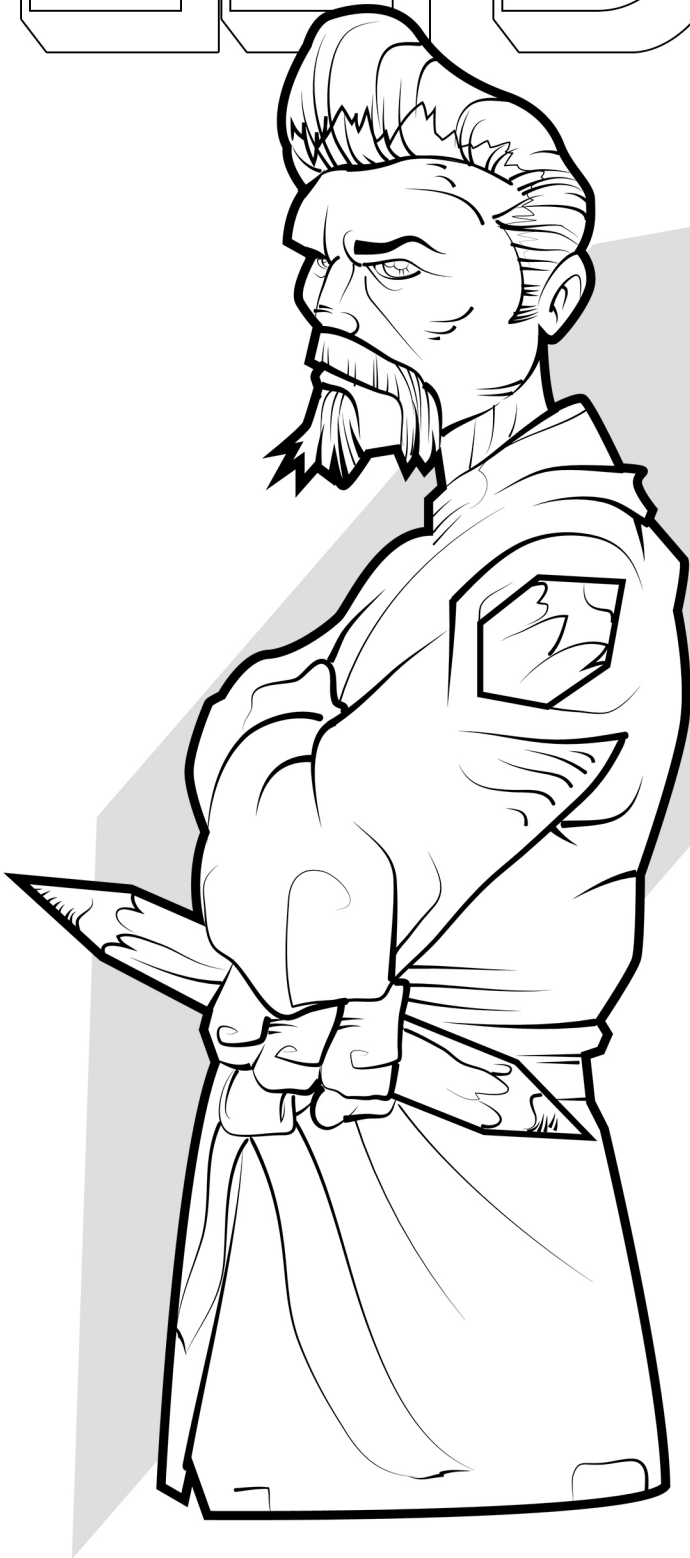

**Penni** is  
a philanthropist who  
cares for children  
and single Mothers  
in need of help.

Her goal is to translate her  
successful career as an  
artist to fund shelters and  
education centers in the  
inner city.

Her name is **Borderline**  
when battling the injustices  
suffered by the  
forgotten citizens  
of Art Life.

# EL DEÑO

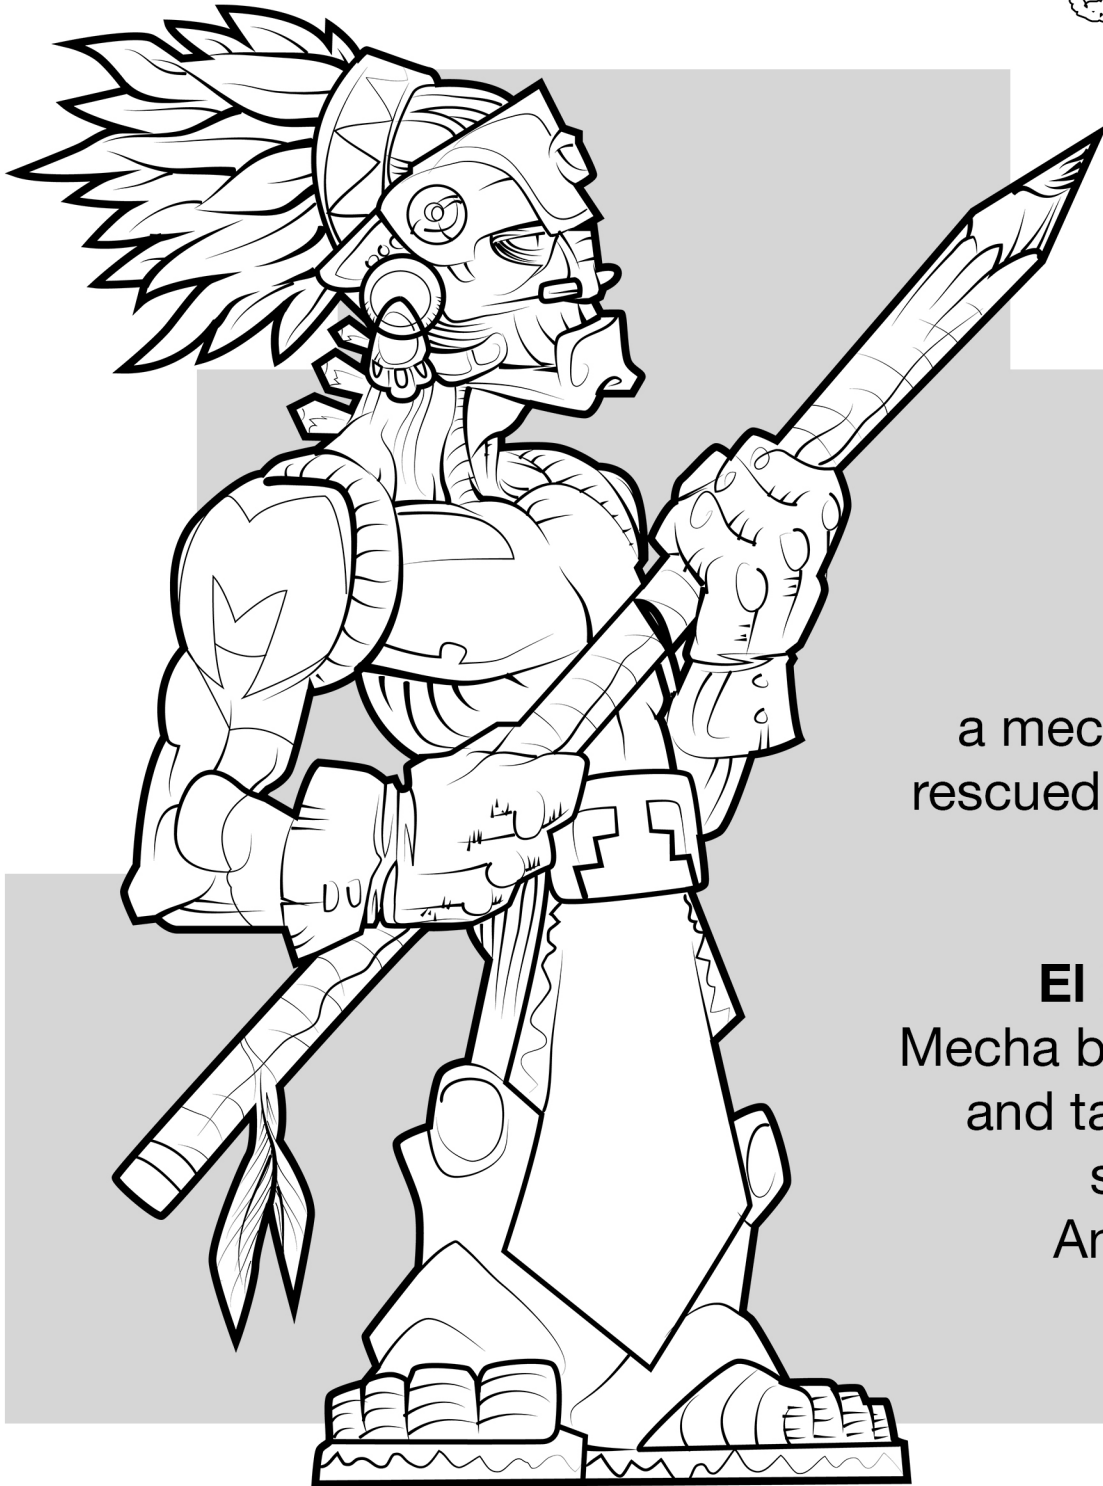

**El Deño**  
(aka The Mad Scientist)  
is an Ancient Artist who  
finds new ways to  
define what Art is.

**El Deño** has mentored  
scores of artists before  
"Art Schools"  
ever became a trend.

# MECHA

**Mecha** is  
a mechanical robot  
rescued from the last  
great war.

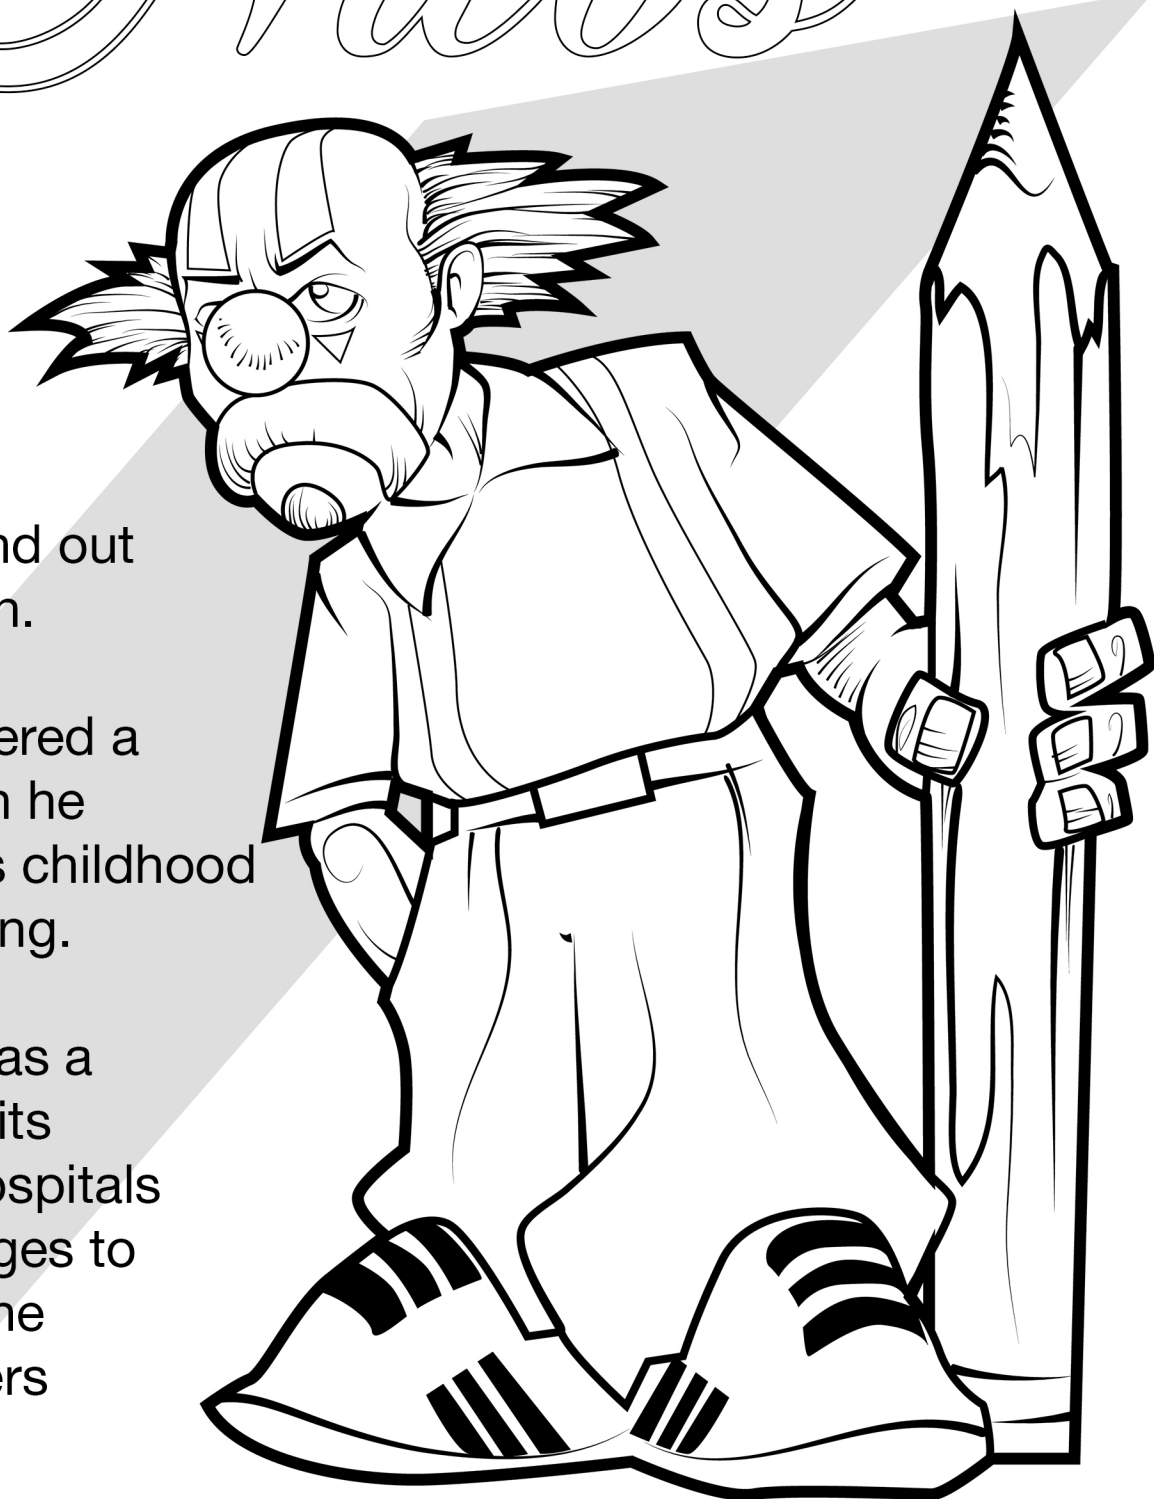

**El Deño** nursed  
Mecha back to health  
and taught him the  
secrets of the  
Ancient Artists.

# Nubs

**Nubs** is a depressed and out of work clown.

**Nubs** discovered a new life when he picked up his childhood hobby: drawing.

Still dressed as a clown, he visits children in hospitals and orphanages to teach them the healing powers of art.

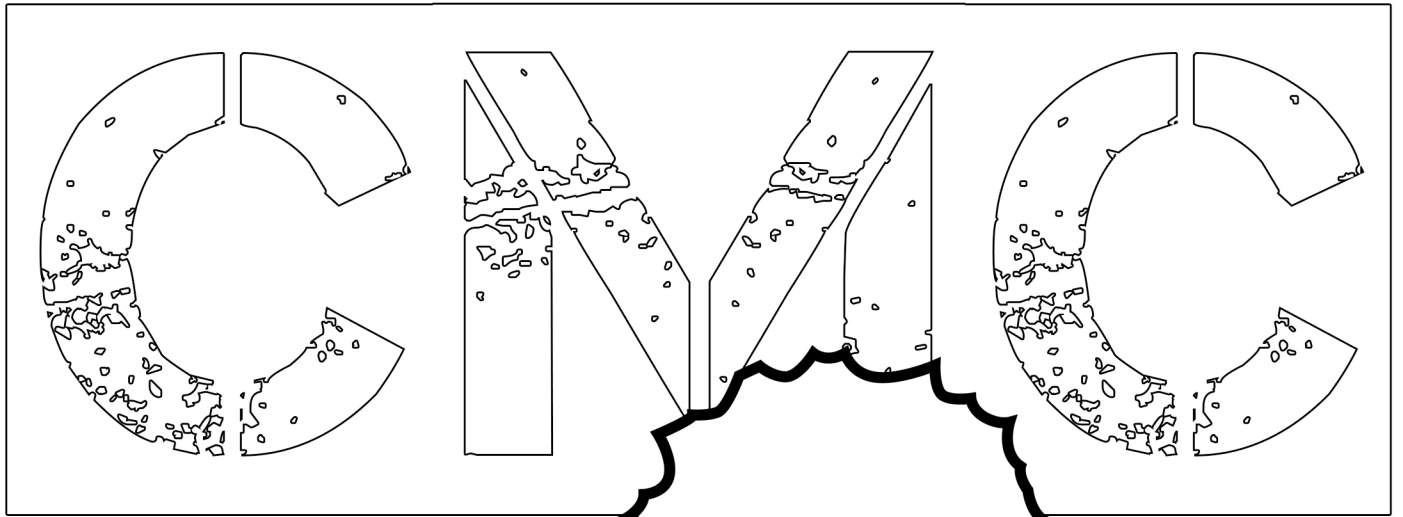

# Skully

**Skully** is an agent in the Order of the Ancient Artists, tasked with tracking down art fakers, creative posers, selfish naysayers and bringing them to justice.

**Agent Skully** champions the business education of Artists.

**CMC** is an extroverted artist who loves a good time and enjoys the company of others.

**CMC** only wants to enjoy the fun of art and become famous.

The business? meh.  
Some say his outlook on life might be a detriment to his art career.
